NOTICE REGARDING CHOICE FILLING AND LOCKING FOR SECOND ROUND OF OJEE COUNSELLING FOR MBBS/BDS COURSES

The process of choice filling and locking for the 2nd Round of OJEE Counselling starts from 5.00 PM today (16.11.2022) and shall remain open till 17.11.2022 (11.55 PM).

The newly registered candidates, who have been placed in the Revised State Merit List (after 2nd round of registration), have to fill and lock choices within due date and time as per counselling schedule.

Unallotted candidates of 1st round and candidates who were allotted seats in first round but not reported for admission, have to fill and lock fresh sets of choices within due date and time. It may be noted that the choices, filled by these candidates in the earlier round, shall be null and void. So, unless they fill and lock fresh choices for 2nd round, it will be assumed that they are not interested to participate in counselling and they shall go out of the system.

In essence, except the candidates who have already reported and have taken provisional admission after 1st Round, all other candidates, listed in the Revised Merit List, must fill and lock choices for the 2nd Round of Counselling.

Candidates, who after taking admission in the first round, have exercised the option of freeze or float, are not required to do any additional choice filling for the Second Round and thus, shall not be given a fresh option for filling choices.
